SET SUBJECT DEFINITIONS 2018

Flora

Monochrome

Creative Photography

A creative image produced in the camera by photographing a creative item or subject originally set up and taken by the photographer

A creative image produced by post processing the photographer's image or images originally taken by the photographer

A creative image made by using multiple images in post processing.

The major images used in the process must have been originally taken by the photographer entering the competition

Action

The SET subject in April is "Action"

This means take photos of a sport with action or just an action photo of something...

Examples:

Motor racing with fast action

Horse riding / jumping

Kicking a ball

Power Boat racing

Moto Cross

Anything with fast action/movement

A vase of flowers sitting still on a table is not action

Lines

Lines can lead the eye through a photograph or set a mood.

Horizontal, vertical, parallel, converging, circular, diagonal, jagged or irregular; the choice is up to you

Just remember to find something interesting that will impress the judge

Seascape or Landscape

Animals

Textures or Patterns

Portrait / People

Still Life
